

25 January 2023

Dear Member

I wrote to you on 8 November 2022 giving notice, in accordance with Article 118 of the Trade Union and Labour Relations (Northern Ireland) Order 1995, of revised and additional continuous action short of strike action instructions following a lawful ballot of members.

I now write to give notice, in accordance with the above Order, of a half day of strike action.

The strike action will be discontinuous and consist of 12 hours from midnight until noon on **Tuesday 21 February 2023**.

Essentially, this instruction as issued will apply to all NASUWT members, including:

- classroom teachers;
- substitute teachers;
- vice-principals;
- principals.

This strike action instruction also applies to all NASUWT members working in grant-aided schools or employed directly by the Education Authority on teachers' terms and conditions of employment. This includes all schools in the following categories:

- controlled;
- maintained;
- voluntary grammar;
- integrated.

For the avoidance of doubt, the continuous Action Short of Strike Action that commenced on Monday 9 May 2022 and the revised and additional continuous Action Short of Strike Action, which was issued on 28 September 2022, 18 October 2022 and 8 November 2022, respectively, remains in place and will remain in place apart from when the strike action you are now being notified of takes place.

Thank you for your solidarity and support during what I know has been a difficult period for you all.

Yours faithfully

Dr Patrick Roach
General Secretary
